Sophomore Semi

The Class of 2008 got ready for their first formal dance at BMHS on March 31, 2006. Everyone took their time getting ready and posing for pictures, knowing they would not be late arriving at the location of the semi: The Billerica Elk's Club. The delicious food and the high energetic music made everyone dance all night long. At the end of the night, everyone left the Elks looking forward to the next exciting dance.

Junior Prom

The formal dance everybody was waiting for finally arrived on May 11, 2007. We did not let the rain earlier in the day ruin our big night. The girls rushed to their hair appointments and made sure they left plenty of time to get ready. Everyone looked classy and elegant as they walked into the Cambridge Marriot Hotel. The dance floor was never empty and we danced the night away. It was truly a wonderful night that none of us will ever forget.

Halloween

Everyone knew Halloween was going to be a crazy day. Some bought their costumes and others put their creative minds to work and made their own interesting costumes. BMHS looked like a mad house with all of the unusual costumes roaming the hallways. On Halloween, the Class of 2008 let their personalities shine through and showed that they can have fun while in school.

SPIRIT WEEK

The Class of 2008 entered their last Spirit Week with one goal in mind: WIN. We had one last shot to claim the title of "Spirit Week Champions" and we were not going to let it slip away. We forgot about the past and united as one class. Class Color Day, Sports Day, Mix Match Day, Pajama Day - the seniors gave it their all. We showed everyone we were in it to win it during the Penny War Parade when we brought out our secret stash of pennies and left the underclassmen in awe. Our hardwork and dedication paid off when the seniors were announced the "Spirit Week Winners" and the Spirit Week trophy made its way into the Senior House.

POWDER PUFF GAME

The seniors were not going to settle for being just the "Spirit Week Champions." We went after another title: The Powder Puff Game Champions. The closeness, ability, and hardwork of the seniors let us grab this title easily. The juniors looked in awe when the seniors left the field as champions. It was the same look that the entire Junior class had after the Spirit Week 2007 winners were announced.

Pep Rally

The Class of 08 marched into the gym for the annual Thanksgiving game Pep Rally with one dream in mind: take the spirit week champions trophy. All the students showed their Billerica Indians pride by dressing in green and white, ready to wish good luck to the football players in the Thanksgiving Day game against archrival, Chelmsford. Each class had their moment to show their class pride as they got to the bleachers. The upperclassmen as well as the freshmen shouted cheers and stomped their feet as the cheerleaders escorted the fall sports captains into the gym. The student body applauded and some even gave standing ovations while the band and the color guard performed, and as the captains recapped their sport seasons. Soon, Coach Flynn took the mic and gave his infamous pep talk that gets the crowd pumped up for the Thanksgiving Day game. Finally, the moment that everyone was waiting for was here: Ms. Banfield was ready to announce the spirit week 2007 champions. Everyone became tense when the winner was narrowed down to either the seniors or the juniors. The Class of 2008 claimed the title of champions. As a united and proud class, the seniors got off the bleachers and ran towards the juniors to show them who really rules the school.

THANKSGIVING DAY GAME

The 2008 Thanksgiving Game featured the top two teams in the MVC League. Billerica and our traditional rival, Chelmsford, squared off at the Marshall Middle School field. As usual, the game was intense and full of amazing performances. Leading the Indians were captains Timmy Morrison, Kenny Mangie, Chris Muraca and Kyle Higgins. The game went back and forth between the two teams but ended in a 20-28 defeat. Though the game was lost, the 2008 Indians were ashamed of nothing because they played with everything they had. For the seniors, known as "The Brothers," the game will forever be remembered.

I Spy Ivy, a star on our stage who would always shine, and Mrs. Galdston who kept us all in line. Through the years, long after we graduate, we will always be the members of the Class of 2008.

Dear Class of 2008,

The future is yours. It will be filled with boundless opportunities and the independence of adult life. Will society meet the challenges ahead? How will you measure yourself to these challenges?

I can assure you that the positives will outweigh the problems. Keep the winning spirit and an attitude of success. I know you can be a credit to yourselves, your families, Billerica Memorial High School, and to the Town of Billerica.

I join with the Billerica School Committee in congratulating each and every one of the Class of 2008. May your future be filled with happiness and achievement.

Congratulations and best wishes,

Class of 2009

June 2008

Dear Class of 2008,

I am pleased to again congratulate you on your accomplishments while students at Billerica Memorial High School. Although I have been associated with BMHS for only a short period of time, the progress you made was recognized by me and obvious to your teachers and other administrators.

As seniors, you responded with maturity and enthusiasm to opportunities that were presented to you. This past year, you were able to undertake new endeavors and demonstrated publicly that you were prepared for new challenges. What you were able to accomplish as a group is indicative of your growth as a class.

The Class of 2008 has now moved on to undertake many new challenges. Educators in this community have long prepared the foundation for what is to come. For many of you, that will include the pursuit of higher education, while others will choose to immediately enter the work force. No matter what you choose, each of you has the opportunity to be successful.

You will always be known as a member of the BMHS Class of 2008. This community will take pride in the contributions you make to society. I have enjoyed witnessing the success you have already experienced and look forward to hearing about your future accomplishments.

Best Wishes

Boys Soccer

The Boys Varsity Soccer team had a strong roster this year after graduating almost all of last years starters. Behind the leadership of Captains Corey Hanlon and Greg Bejian, as well as seniors Kyle Delorge, Neal Brewster, Eddie Thompson, Eric Caples, Steve Nieweboer, Preston Angelucci, Jeff Madigan, Rocco Magliozzi and Abu Magula, the team finished with a winning record of 8-7-2, qualifying for the MIAA State Tournament. Despite a loss for the conference championship, the team enjoyed great success all year. They had two big wins over the perennial powers Medford and Andover, along with a 6-1-1 record in the small school conference. The boys soccer team sent five members to the Merrimack Valley All Star game: seniors Corey Hanlon, Greg Bejian, Kyle Delorge, Eddie Thompson and junior Tyler Stoffers. Hanlon and Bejian were also named All Conference, and Bejian was named to the Eastern Mass All Star Team. Along with a solid season, they will always have memories of MVC camp, victory dinners at the 99, 4vs.4 tournaments, pasta parties and an overall great year.

Boys Cross Country

Led by senior captains Corey Donahoe, Austin Pena and Eric Bradanese, the 2007 Boys Cross Country Team had a bitter sweet season. Although they finished 1-8 in the MVC League, many individuals ran personal bests this season. Leading the way was senior captain Corey Donahoe, who placed 10th at the MVC meet to insure an MVC All-Conference award. Also, showing strong seasons for the Indians were Austin Pena, Eric Bradanese, Mike Craft, Dan Girard, Fabian Meisel, Derek Rich, Connor Edmonds, Brendan Cox and Jake Carmichael. Other contributing seniors included Paul Vozzela, Adam Marchany and Garrett Locke. The team is hoping to improve in the future with the eleven freshmen who placed first overall in the MVC freshman race. Overall the team had a successful and rewarding season under the guidance and coaching of Coach Bradford.

The fall sports season of 2007-2008 had one of the most sucessful girl's cross country teams in school history. Coach Hagan and senior captains Monique Girard, Alyssa Penny and Michelle Cody led the team to an 8-2 record, the best ever. As a result of training all summer, the team placed 3rd at the Merrimack Valley Championship meet, and 6th at the Division 1 Eastern Massachusetts Championship Meet, the 2nd highest finish ever. Michelle and Monique advanced to the All-State Meet, and placed 40th and 41st. Monique was named the Division 2 Runner of the Year and Katie Burns was named to the All-Conference Team. Michelle Cody, Malorie Ulcena, Melissa Ulcena, Jordan Hurley and Jenna O'Brien were named to the MVC All-Star Team. The seniors, including Alyssa Penny, Laura Blazej, Katie McGonagle, and Selina Collins helped make this season memorable for all new and returning runners.

Golf

The 2007-2008 golf team was led by Coach Jenkins and Captains Billy Connell, Teddy Barrett and Patty Crowley. Before the season started the team didn't know what to expect. They lost seven players from the previous year who were all in the starting line up. Starting up, everyone knew this season would be a rebuilding one. After the first couple of matches they realized that the team actually had potential and could make the state tournament. However, the team came up short at the end of the season with a record or 7-9-2. One of the most exciting matches came when they played the town rival Shawsheen Tech. Billerica beat them in the final match of the year to ruin Shawsheen's perfect season. Billy Connell beat Brandon Porter, the undefeated Lowell Sun Golfer of the Year, to seal the victory. Key players throughout the year were Gary Shea, Anna Stepper, Shawn Duncan, Mike Hurley, Joey Ferraro, Kevin Homen, Richie Yutkins and Billy Rios

Girls Volleyball

This year, the girls varsity volleyball team was lead by captains Jess Flynn and Caitlin Depiero, along with seniors Kristen Koles, Jamie Jacobs, Brittany McGinness, and Lisa Pinals. The team was pretty young with a lot of new players. Nonetheless, the "babies" were able to pull through with a great season. The team just missing the 500 mark as a result the girls did not make the state playoffs. However, the girls were an impressive team as they were able to bring some tough competitior such as Andover, Chelmsford and Arlington Catholic, to extremely close 5 match games. The girls season never had a dull moment; from scavenger hunts, painted faces, haunted houses, sleepovers, and long pasta parties the girls spent every moment together, almost as if they were sisters. And with their TIC TIC BOOM, the season will never be forgotten.

Football

The "Revenge Tour '07" squad, led by senior captains Timmy Morrison, Kenny Mangie, Kyle Higgins, and Chris Muraca, boasted an 8-3 record at the end of the year and impressed teams around the league with their explosive offense and game-breaking plays. The first two games were a test as the squad captured huge victories over Middlesex League powerhouses, Burlington and Woburn. The 2008 Indians jumped out with an umblemished 5-0 start at the beginning of the season; this included a Fox 25 Friday Night nail-biting throwdown against league rival, Andover, which ended with the Indians on top, 34-27. The "Brothers", with an even tougher second half of the season, won an exciting game against St. John's Prep in the monson-like conditions and also claimed it's first shut-out of the season against Lowell, 27-0. With the help of the huge offense line, led by senior linemen Sean Elmore, Marty Prendergast and Nick Capone, the Indians were able to spread the ball around to their big-play receivers Kyle Higgins, Kenny Mangie, and James Sorenson, and helped quarterback Timmy Morrison sit comfortably in the pocket. The defense was anchored by leaders Chris Muraca, Alex Orekoya, Jimmy Holland, Matt Langill, Manny Moriera, and Jay Dillion.

Fall Cheering

Led by senior captains Erica Soly, Katie Cresta, and Hillary Crone, the 2007-2008 fall cheerleading team had an unbelievable and memorable season. Although they had a rough start and were late to announce a coach, the team was extremely successful. Coach Krissy Sorenson helped guide the girls to become Merrimack Valley Champions, something that has not been done for three years. Although they did not advance to the State Competition, with a fun, energetic, yet challenging routine, they enjoyed every moment of competition. Additionally, Friday nights were always something to look forward to, and being a part of the boys victorious season made the team proud. One of the most unforgettable moments was being featured on FOX 25 news and cheering live for the big game that night. Overall, the girls had a terrific season and created endless memories together.

Swimming and Diving

The 2007 season for the Billerica girls swimming and diving team proved to be an interesting one, to say the least. It seemed as though the odds were against this team. Without a pool to swim in and a team of mainly freshmen, the girls had their work cut out for them. The coaches had to teach basic techniques such as strokes, lane etiquette and dry land work-outs. Before they knew it, the season was underway. The success for the team came in many different forms. For one, each team member achieved a personal best in her event. Although the scoreboard did not show it, this team worked hard and gained valuable experiences. The hard work paid off with a third place finish at MVCs. Additionally, seniors Kim Moore, Michelle Pilon, Cora Chando and Jenna Cincotta all qualified for sectionals in their respective events. Overall, as a rebuilding year, the girls were very triumphant and leave the framework for success for years to come.

The Billerica boys indoor track team had one of its most successful seasons in school history. The boys began the season facing some of the toughest teams in the MVC, including Andover, Methuen, and Lowell. Despite beginning the season 0-3, the team battled its way back under the leadership of Coach Bradford, Coach Fall, and Coach Lucia and senior captains Anthony Abramo, Corey Donahoe, Austin Pena and Eddie Thompson. Several individuals contributed to the teams overall success: most notably, Paul Vozzella in the long jump, Nick Capone in shot put, and Abramo in the 300. Additionally, Donahoe, Pena, Abramo and Thompson were all named to the MVC All-Star team. Among these athletes were those who advanced to the Division I State Tournament, including Capone, Abramo, Pena, and Donahoe. The underclassmen made a statement as well, with Tyler Moules and Matt Fogerty advancing to the state tourny. The season came to a close with Billerica placing sixth overall in the Merrimack Valley Conference; a spectacular end to a successful season.

The Billerica girls indoor track team experienced a very successful 2007 season. With key wins against Lawrence and Methuen, the girls knew they would be destined for victory. At the Merrimack Valley Championship Meet, the team placed seventh overall, with several impressive individual performances. Consequently, eleven individuals advanced to compete at the MIAA Division I Championship. Among these individuals, Christina Rose, Lauren Pena, and Melissa Ulcena were all named to the MVC All-Star team. Joining these girls on the All-Star team were senior Kirsten Chirichetti, Chelsey Sordello and Meghan Ford. However, these individual achievements did not take away from the success the team enjoyed as a whole. Everyone's contributions made this season one of great significance and one that will be hard to forget.

The varsity basketball team suffered a tough season this winter. Although they finished with a losing record, they were able to achieve plenty of success. For example, the defeated Lawrence for the first time in seven years. However, they never would have achieved such a feat if the players had not come to practice everyday and worked hard. The team felt inspired and played by these words said by Head Coach Dagle: "It's easy to be on a winning team. It takes a lot of heart to be able to come back with smiles and be willing to work each day after losing a blow out." For the team, each game was one to uphold Billerica's pride. The players fought until the end of every game, working to improve the team's game and attitude as a whole. Led by Seniors Capt. Kyle Higgins, Capt. Sean Elmore, Capt. Eric Bradanese, Jeff Amaral, Mike Mastrullo and Adam Benoit, the team truly represented the class and determination that comes with the name "Billerica" printed on each player's jersey.

The 2007-2008 season for the girls basketball team was lead by senior captains Marisa Dellanno and Rachel Herbert, both of whom were MVC All-Stars. Their leadership was compounded with that of seniors Brittney McGinness, Leandra Boyle, Jaime Jacobs and Selina Collins. The Billerica girl's basketball team had one of the toughest schedules to face. However, with the help of their All-Stars and All-Conference players, the girls clinched the first play-off berth for the first time in four years. This berth came in spite of three losses, which were all to the top three teams in the Merrimack Valley Conference. This tight-knit group of girls showed what hard work and determination earns you at the end of a grueling season.

The 2007-2008 season for the Indians' Wrestling team proved to be a tough one. Having opponents that included Lowell and Chelmsford, the team knew it would be anything but a cake walk; nevertheless, the team held its ground. Led by head coach Bob Belanger and assistant coaches Eric Desmond and John Burrows, the team finished with a record just under .500. With the guidance of these coaches along with that of seniors Kenny Anderson, Kyle Aylward, Pat Pereira and Steve Rose; this young team learned a lot and gained experiences that will have prosperous effects for seasons to come. Notably, juniors Matt Osborne and Jermaine Smith placed fifth in the Division I Sectionals while sophomores Bobby and Derek Cole placed second and fifth, respectively. However, this year wasn't all about underclassmen. The seniors made a statement with Anderson placing first accompanied by Pereira and Aylward both placing third at Sectionals. Additionally, as a third year wrestler, Rose helped to coach the junior varsity wrestlers to success. He used every ounce of energy after his matches getting his teammates fired up for the next. The season came to a close with Anderson placing first in the New England Wrestling Tournament at 119 pounds.

Captains Erica Soly and Katie Cresta led the winter cheerleading squad of 2007-2008. The season began with seventeen enthusiastic girls determined to bounce back from the fall and win a state title. However, as the season continued, the team lost four members, and others faced minor injuries; they were unable to attend competition. Despite slight disappointment, their spirit never failed to encourage the varsity basketball team. The small but united squad, led by Coach Krissy Sorenson, will carry the memories they created together forever.

After a tumultuous start to the 2007-2008 season, the Billerica boys hockey team regrouped and made a run for the play-offs. The game that turned it all around was a nail-biter against Central Catholic. The game started off tough, as the Indians were denied two goal-scoring opportunities within the first five minutes of the first period. However, under the leadership of seniors Mike Workman, Andy Pierce, Pat Crowley, Tom Broderick and Jeff Allen, the team pulled together for a come-from-behind victory after scoring three goals in the third period. The perseverance and determination that this team demonstrated under pressure is a prime example of how the spirit of Billerica sports is truly insurmountable.

The 2007-2008 season for the Indians girl's hockey team proved to be a successful one, making school history at every opportunity. Led by head coach Tina Carrabba and captains Kristen Koles, Katelyn Ladd, Derith Fernandes and Danielle Shea; the team continually worked hard at practices as well as games to earn a reputation of a force to be reckoned with. The hard work and perseverance paid off for the girls during a week of incredible performances when the team beat Chelmsford and Andover, both of which had shut out the Indians earlier in the season. The Andover game was the first one in school history that Billerica skated off with a victory. These triumphs among others are what earned the girls a second place spot in league standings. The talent that the girls on this team possess is unparalleled and gives future teams a blueprint for success.

A season of record breaking performances highlighted 2007-2008. Senior Cora Chando broke records on the floor with an all-around score of 36.25. Senior Captain Kayla Morris made it a season to remember as she competed in state competition for the floor events. Extraordinary underclassmen include Lauren St.Cyr, who tied the existing records on bars with a score of 8.9. Two underclassmen Kaitlyn Dussi and Hayley Spencer along with St.Cyr joined Chando and Morris at statewide competition. Ultimately, Chando headlined the season as she was chosen to represent Massachusetts on the national team. As a team, a personal best for team score was set at 141.9. At the MVC meet, the team took third place just behind Andover and Chelmsford. To finish the season, the team made it to sectionals. This team was the first ever to do so in Billerica history. With a fifth place finish in statewide competition, the bar was set for years to come.

Baseball

The 2008 Indians Baseball team didn't have the best season, but it was still one to remember. The 2-18 record was hardly a symbol of how hard this team worked to improve. Compounded with one-run losses, the team did have its high moments. Perhaps the most memorable game was the walk-off win on Senior Day. The player responsible for that walk-off win was none other than senior Kyle Higgins. All-star performances on the mound by seniors Rich Yutkins and also in centerfield by Joe Corey always kept the boys in the game. The speed of senior Kenny Mangie in right field must not be overlooked. Additionally, seniors Kyle Hansen and Jimmy Morris threw pitches that batters had a hard time finding. Under the leadership of Coach Higgins, the season was exciting and unforgettable.

The Billerica girls lacrosse team had a very successful season. With a record well over .500, the girls showed they were a force to be wreckoned with. Under the leadership of seniors Brittney McGinness, Krista Soloski, Laura O'Brien and Mareisa Croteau, this team thrived upon competition and a pure passion for the sport. Whether it was a blow-out in Danvers or a close call in Swampscott, the girls knew how to win. The ground work has been laid for success for seasons to come.

Boys Lacrosse

Boys lacrosse had a great season. They knew coming into the season they would have some big shoes to fill and high expectations. The team worked hard every single day in order to achieve the goals that were set out early in the season. Making it to the Division 1 State Finals says a lot about the program itself, the coaching staff, and the athletes. The Indians finished off a fantastic season with a record of 17-5.

You could tell this was a special team right from the start. From the team playing indoor leagues together in the off-season, to dancing in the locker room to everyones favorite song "SANDSTORM", the team had some great times. Every day was a chance to get better and to get one step closer to that final goal of a state championship. From the short practices (2 hours roughly) to the long practices (do the math) this team took advantage of that and had fun along way. They were one game shy of achieving their goal, but they played and ended the season like champions.

Come tournament time, this where you truly saw the seniors step up. The leadership they presented was unlike any other. It wasn't just scoring goals, but it was coming up with a huge groundball, playing great one on one defense, or coming up with a game-changing, incredible save. The rest of the team really jumped on the backs of seniors Jeff Scarfo, Ryan Ostler, Joe Dangelo, Patrick O`Loughlin, Adam Foss, and Mike Hurley. The lessons and memories that they have absorbed through lacrosse will last a lifetime. We know that the seniors will miss playing for BMHS. To the team of 2009, nothing will make the class of 2008 happier than to celebrate a state championship with you at Harvard Stadium. Good luck!

Girls Spring Track

The 2008 season for the Billerica High girls track team proved to be one of great success. Although the team finished with a record at .500, the season was highlighted by hard work, determination ,and commitment. Under the leadership of returning coaches Hagan, Flood and Fall, along with a new coach, Coach Cowan, the team qualified the most girls for state competition in school history with seventeen. These seniors included Derith Fernandes, Lisa Corso, Monique Girard, Alyssa Penny, Kirsten Chirichetti, Michelle Cody and Cate Connerty, who due to injury, was not able to compete that evening. In addition to the senior competitors, both Kristina Mallard and Christina Rose had success in the 2-mile, coming in second and third respectively. The team sent off its seniors with Lisa Corso named the season's Most Valuable Player, Michelle Cody named for Best Sportsmanship, and Monique Girard named for the Coaches Award.

Boys Spring Track

The 2008 boys spring track team had a very successful season with several highlights. In particular, the Division I tournament in Sudbury was an event where various BMHS athletes placed well in the rankings. For the juniors, Tom Gauger advanced to the All-State track and field finals when he finished second in the pole vault. The success continued for the team with senior Corey Donahoe finishing eleventh in the mile and third in the two mile. Additionally, seniors Eric Bradanese in the high jump, Paul Vozzella in the long jump and Steve Nieuweboer in the triple jump gave phenomenal performances as well. With the immense success this team experienced, next season's leaders will have some big shoes to fill.

Girls Tennis

Girls tennis, which was led by Senior Captain Lisa Pinals and Junior Captain Michelle McEwen, had a spectacular season. Undefeated in MVC Division II, the girls were unquestionably the Division II Champions. In addition, they boasted a final record of 11-4. Although the girls lost 1-4 to Melrose in the state tournament, there were many standout players throughout the season. Stephanie Cloutier, undefeated in Division II, was named to the MVC All Conference Team. Billerica also had six players named to the MVC All-Star Team: Jillian Flynn, Melissa Govertsen, Lindsay Jenkins, Michelle McEwen, Lisa Pinals, and Hannah Ramos.

The Billerica High boys tennis team had a lot to prove in its spring 2008 season. After losing four of seven starting players from the previous season, the team knew that there would be a lot of work to do. However, the seniors on this team performed to the best of their abilities and they delivered. Under the leadership of Coach Goversten, the seniors Billy Rios, Bobby Berg, Josh Dickey, Connor Edmonds, Eric Caples and Rocco Magliozzi all thrived on victory after victory. Their hard work eventually paid off when they made it to the state tournament. Unfortunately, the boys were defeated in the first round by St. Johns Prep, but that did not erase the hard work and determination the boys put in to the season.

Softball

The 2008 softball season was a very unpredictable one. Entering the season with only six returning players, the team thought this season was going to be a challenge. They had many tough losses against teams such as Central, Tewksbury and Methuen. What made these games the hardest was that only one or two runs created the outcome. There were also amazing wins against Chelmsford, Lawrence, and Lowell. Beating Lowell was the highlight of the season. We were losing the game entering the top of the sixth, but the game was forced into extra innings for the win. This game led the team to the state tournament where they made it to the Division 1 North Finals game. The only two seniors, Jaime and Steph, were key players. With Jaime's seven home runs and Steph as an aggressive left fielder, it was hard to shut these girls down. Big assets to the team were juniors Kelly Collins and co-captain Brianna Mahoney, and the sophomore pitcher Sarah Quatieri, who was also strong at bat.

Boys Volleyball

The 2008 season for the Billerica High boys volleyball team was one of regrouping and strengthening. While experience was scarce, enthusiasm was not. Under the leadership of Coach Polan and senior star setter Curtis DeValle, these boys learned how to handle tough opponents and to always work hard, even when odds were against them. These principles were tested during the team's well-deserved victory over Dracut. With an especially impressive 25-8 run in the third set, the Indians showed the perseverance and determination that is associated with Billerica High athletics.

"A murder is announced and will take place on Friday, October 13th, at Little Paddocks, at 6:30 p.m. Friends, please accept this the only intimation."

The fall play had love, secrets, murder, fright, money, honey, and so much more. The audience is left suspecting each character at one point or another. In the end, however, Miss Marple (**Left:** Nicole Celeste) is able to unravel the mystery and send the real crimminal, "Letty" Blackfield (**Right:** Sophomore Katarina MacAfee), behind bars.

From the intense lighting to the epic sound effects, the mostly anonymous crew members each did their part to help make the fall play a success. Overseen by assistant director Amber Atteridge, students timed the lighting and sound effects, and transformed the stage. For the set, crew members recreated a room from the 1950s.

Kudos to the fabulous cast and crew members of BMHS (above) who made the production possible.

In this tropical musical, Ti Moune, played by Ivy Buena, is sent on a journey by the Gods, including senior Bobby Berg, to test the strength of love against the powers of death. Eight storytellers, including seniors Mikayla Lynch, Samantha Maguire, Jaclyn Reidy, and Tyler Clark, weave the story of this young woman's life.

Ti Moune is taken in by Mama and Tonton, played by Kevin Santullo, after being spared by the Gods in a terrible storm. She grows up as a peasant and saves the life of a Beauxhomme named Daniel, played by junior Brett Peterson.

The spring musical had many large and complicated dance numbers. One in particular was the Ti Moune Dance performed by Seniors Ivy Buena, Mikayla Lynch, and Jaclyn Reidy, sophomore Scott McKenney, and Junior Stephanie Roulic.

Another dance, "Why we tell the story" was nominated for best production number in the 2007-2008 TAMY Awards. BMHS received fourteen nominations in total, including Best Overall, Best Stage Crew, Best Actress (Ivy Buena), Best Director (Ms. Susan Yoniack), and Best Musical Director (Mr. Patrick Gagnon). Awarded to BMHS were Best Ensemble (the Storytellers) and Best Playbill.

Once on this Island

Ti Moune trades her life for Daniel's in order to keep him alive. He betrays her and marries Andrea, played by junior Maria Salem. Ti Moune has the choice of regaining her life by killing Daniel, or dying herself. Ti Moune dies, but love is able to conquer death. The gods turn her into a tree which breaks the gates of the hotel Beauxhomme and set peasants and rich people free to love one another forever.

A beautiful gown and shoes from prom night,
The towel we got at class day,
How our senior year flew by!

I spy... the class shirt which has printed all of our names,
The robe from our graduation day,
That night was the Blast where we had so much fun,
And I spy the yearbook where all of these memories will stay.

Senior Prom

The biggest dance, the one most of the Class of 2008 has been waiting for since freshman year finally arrived on May 30, 2008. Most of the day of the Senior Prom was spent getting ready for the night at the Danversport Yacht Club. The girls showed off their dresses and the guys showed off their tuxedos as they walked up the red-carpeted stairs. First, people made their way to the gazebo to take couple photos as well as group photos. Then dinner was served, but the DJ started playing music and the dance floor became packed in no time.The DJ handed out glow sticks and called out for a dance off between the boys and the girls. The rap battles were definitely a memorable piece of the Senior Prom. The DJ ended the night by playing "My Wish" by the Rascal Flats . Senior Prom was a truly memorable night that none of the Class of 2008 would ever forget.

Class Day

The Class of 2008 definitely deserved to have some fun, especially after the long and grueling Graduation Rehearsal. We made our way up to the Cedardale Recreation Faciility in Groveland, eager to have a good time. We were welcomed with great music, a barbeque lunch, and ice cream. The tennis courts, mini golf course, and volleyball courts attracted many of us. Playing volleyball especially brought out the competitive side in us. Many of us chose to use the pool and the hot tub to relax and just lounge around. We left Cedardale that afternoon having thoroughly enjoyed one of our last senior events.

Graduation

The much awaited night of Graduation finally arrived on June 3, 2008. The friends and family gathered at the Tsongas Arena to show support for their loved ones in the graduating Class of 2008. During the long wait in the tunnels of the Tsongas, everyone made sure their hats were on tight and the tassels were in position. As the Class of 2008 marched into the arena, they looked around to see everyone who is celebrating this extraordinary night with them. After they were seated, the seniors were inspired by words of wisdom from Mr. Soroghan, the Principal and from Dr. Serio, the Superintendent. Through their speeches, Lisa Pinals, Lorraine Fitzmaurice and Erica Soly reminded the seniors to thank the people who have always been there; family, friends, teachers. The guest speaker Judy Whidden Durkin, a graduate of the Billerica Class of 1978, reminded the graduating class to embrace the opportunities given to them. After receiving the diplomas, every graduate made their way through line of teachers who have helped them reach this point. The night of Graduation exemplified the graduates' journey together as one united Class of 2008.

2008

Class of 2008

"We should all be proud of our high school accomplishments. In addition to working hard these past years, we have had great experiences and have truly come together as a class. We could not have made it to this point without each other."

Lisa Pinals
Valedictorian

" Of course we've had help along the way. From our families that keep us honest and help us see things through to the very end. From our teachers who taught us more than chemistry, history, or music; they taught us the value of hard work and the love of learning. From the friends who've been there in the best of times and the worst of times and whom we'll never forget."

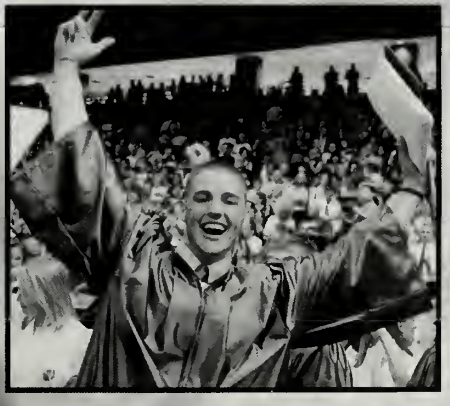
Lorraine Fitzmaurice
Salutatorian

As we mature, please enjoy the journey. As you walk out those doors tonight and you leave behind the coolest place on earth - Billerica High, as you hug one another good-bye, and take hundreds of pictures for your albums, know that it is not really good-bye, nor the end. It is merely the start of something new.

Erica Soly
Class President

"Stretch yourselves and dream big. Take advantage of all that is offered to you and involve yourselves in things that might be outside your comfort zone. Strive to do more than you think you can. You will never really know all that you can accomplish until you try. It takes courage. It's a little scary, but that's okay."

Judy Whidden Durkin
Key Note Speaker



THE BLAST

It was 11 p.m. on the night of Graduation. After getting their diplomas, the graduates made their way to the high school for the final senior event: The Blast. Everyone sipped on their slurpees and was mesmerized by the magician. We got tattoos, had our fortunes told, and even got together with our friends for caricatures. The amount of food never ran low. The Chinese food, donuts, and ice cream kept our energy up all night long. The hypnotist was a huge hit, making us laugh by having boys slow dance with each other and having the girls believe the teletubbies came to BMHS. We all left the gym that night with goodies and four years of unforgettable memories.

Love.Dance.Laugh.

How can you just walk away from me
When all I can do is watch you leave?
Cause we shared the laughter and the pain
And even shared the tears
You're the only one who really knew me at all

"**S**tarting in different places, we all came together,
Not knowing what to say like a wandering feather.
Clinging to certain people, and not giving others a chance,
Who knew a family would form by coming here to dance.
Dancing with each other brought us so close,
Memories we have shared looking back in all the photos.
Crap swaps, Sleepovers, Pizza's, Dance Videos, and more.
With Debbi's funny sayings that we love and secretly adore.
Partner stretching, conventions, competitions, and Monday nights,
Giving each other a chance to stand in the spotlight.
The family we have made combining all of these years,
Will stay with us forever through happiness and through tears."

So Take a Look At Us Now ♥
